

## Next Generation Photodynamic Therapy

### Information Available:

If patients are interested in obtaining more information about NG-PDT Therapy the following informative websites are available:

1. [www.nextgenerationpdt.com](http://www.nextgenerationpdt.com)
2. For information on the 1<sup>st</sup> and 2<sup>nd</sup> generation PDT and for general information about PDT from a UK site [www.killingcancer.co.uk](http://www.killingcancer.co.uk)

### Treatment Enrollment Procedures:

If a patient wishes to enroll in the NGPDT treatment program, they will need to provide accurate and up-to-date medical, laboratory and imaging scans so a realistic assessment of their medical condition and suitability for treatment can be determined.

3. The patient may be asked for additional tests to be completed at the hospital before a final assessment is made of suitability for treatment.
